To the Citizens of Douglas County,

As your Douglas County Clerk, I want to do what I can during this challenging time to keep Douglas County Clerk's services available to the citizens and employees of Douglas County, while at the same time minimizing in-person interaction as much as possible.

With that in mind, **my goal is to eliminate all in-person visits to the Douglas County Clerk's office *except* for marriage license applicants.** I am asking all Douglas County citizens and employees for your cooperation.

There are many tasks that can be completed by phone, through online services, by email, or by mail. This is true for many other local government offices, too.

If you are not a marriage license applicant but feel an in-person visit to the Douglas County Clerk's office is necessary, please contact our office ***prior to visiting our office***. Our office's contact information can be found here: [www.douglascountyclerk.org/contact-us](http://www.douglascountyclerk.org/contact-us).

Thank you.

***Daniel A. Esch***
